

Invitation

## 2<sup>nd</sup> ENCITE Educational Workshop Cells at work: imaging in health and disease

Mons/Belgium

18 May 2010, 10.00 hrs – 19 May 2010, 16.00 hrs

**EIBIR and the ENCITE consortium partners cordially invite you to the workshop on cell imaging with outstanding findings as well as major aspects and latest advances related to the following key topics:**

**In vivo imaging of patho-physiological processes, imaging cell functions (microscopy & imaging); imaging and cell therapy; imaging and nanotechnology; imaging-guided drug delivery**

- Participation in this workshop is free of charge
- Registration is required and possible until April 15, 2010 at: [office@eibir.org](mailto:office@eibir.org)

### TARGET GROUP

Physicists, technicians, biologists, chemists and other professionals with an interest in the field of cell imaging are cordially welcome to attend this workshop.

For more information please contact the EIBIR Office: [office@eibir.org](mailto:office@eibir.org)
